

August 1999

Welcome to Disney Institute—where creativity, learning, and the exploration of the culinary arts can be an adventure for your mind, body, and soul.

Disney Institute is pleased to be your host for the Disney Institute Animated Film Festival. We hope you find your time with us stimulating and fun. In addition to sessions with visiting celebrities and unique Disney programs you will experience, we've prepared an exciting and entertaining schedule of events you won't want to miss. Enclosed in this packet, you will find several items that will be beneficial during your stay with us.

**Credential Badge**—This badge identifies you as being a part of the Festival. This is your *exclusive pass* to all of the special engagements we have planned for you, so please have it with you at all times.

**Itineraries**—On the reverse side of your Credential Badge is a “quick reference” of the special activities taking place during your stay. You will find your personalized program itinerary in your Welcome Packet.

Should you need anything during your stay, please do not hesitate to stop by the Welcome Center, or touch the “Front Desk” button on your in-room telephone for assistance.

On behalf of the Disney Institute Cast, we hope you enjoy every moment of your stay with us.

Sincerely,

Mike McLean  
Managing Instructor  
Entertainment Arts
